

Fork Mounted Sweeper

Fork Mounted Sweeper - The forklift mounted broom attachment can actually make industrial sweeping jobs much easier. Intended for use on either wet or dry surfaces, this mounted broom accessory could squeegee water and push snow effortlessly. This particular accessory is frequently utilized so as to clean debris from warehouses, construction sites, docks, parking lots and practically wherever it is considered necessary. The forklift sweeper is a low maintenance attachment which utilizes quick-tite blade products to effortlessly mount to the forklift.
