

American Lincoln Part

American Lincoln Parts - The American Lincoln division is now connected with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machines which are recognized in the industry as durable and strong equipment which satisfies all the needs of heavy industry and larger infrastructure. Products made in America; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind model of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are on the market under the trade mark name "Encore". American Lincoln could provide parts, warranty service and machines for these scrubbers which have both the Encore and Clarke logos.

The 7765 floor scrubber model is the choice machine of big distribution centers like for instance Target and Wal-Mart. The 7765 line has earned the respect of numerous facility managers where efficiency and results count. Recently, this floor scrubber model has been requested by the architects in various construction jobs such as Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location due to the model's high standard of quality and utmost performance level for polishing concrete.
